Managing Director Message

At Al-Marwa Company, we seek to complete government transactions (Amer & Tasheel) to lead and differentiate in providing various government services under one roof.

Where Al-Marwa relied on its mechanism of work on the fact that customer satisfaction is a priority that is not matched by another priority.

In order to fulfill the requirements of our clients in the best way, our company has employed teams of high caliber and long experience in various specialties.

And so we offer you many services that we have been keen to be more comprehensive to help you understand all the work procedures necessary to complete all your transactions.

From this standpoint, the center's administration and all its employees strive to work according to studied plans and curricula-, and they are followed up first and amendments are made whenever necessary.
